DAE YOUNG HARNESS VINA

WIRE HARNESS MANUFACTURING & ELECTRONIC COMPONENTS

2026-2027 PRODUCT CATALOG & COMPANY PROFILE

COMPANY PROFILE

STRATEGIC FOUNDATION

- **2016** Established
- **8,000 m²** Facility Area
- **280+** Total Employees
- **8,000,000+** Annual Production (Units/yr)
- **Ho Chi Minh City, Vietnam** Location

MANUFACTURING CAPABILITIES

Dae Young Harness Vina is a premier manufacturer specializing in high-precision wire harness solutions, established in 2016. We serve the world's leading brands with innovative technology and an unwavering commitment to quality.

CORE MANUFACTURING & PARTNERSHIPS

- **Home Appliances (Samsung):** Primary vendor for washing machines, refrigerators, vacuum cleaners, and intelligent robot vacuums.
- **Water Purifiers & Medical Devices:** Direct Tier-1 supplier of wire harnesses for water purifiers and medical devices.

COMPREHENSIVE SUPPLY & DISTRIBUTION

- **Connectivity Solutions:** A wide range of wires, cables, connectors, terminals, and housings.

Excellence in Every Connection — *precision, reliability, and global-standard quality in every harness we build.*

QUALITY CERTIFICATIONS

Committed to international standards for quality, environmental responsibility, and workplace safety.

ISO 9001

Certified Quality Management System

ISO 14001

Environmental Management System

ISO 45001

Occupational Health & Safety System

RoHS Compliance

Restriction of Hazardous Substances

UL Certifications

Recognized Safety Standards

Patent No. 10-2587201

EM-Wave Non-Contact Inspection Tech.

PRODUCT APPLICATIONS

DIRECT TIER-1 SUPPLIER · WIRE HARNESSES FOR HOME APPLIANCES, WATER PURIFIERS & MEDICAL DEVICES

WASHING MACHINES & DRYERS

REFRIGERATORS & KIMCHI FRIDGES

VACUUM CLEANERS

WATER PURIFIERS

MEDICAL DEVICES (X-RAY)

BIDETS & POWER TOOLS

WIRE HARNESS SOLUTIONS
FOR HOME APPLIANCES

WASHING MACHINE HARNESSES

Voltage Rating:	220V/110V
Current Rating:	Up to 15A
Temperature Range	-40°C to +105°C
Insulation:	PVC / XLPE
Compliance:	UL/CSA Certified
Applications:	Control Panel, Motor Drive, Pump, Sensors

VACUUM CLEANER HARNESSES

Voltage Rating:	120V/240V
Current Rating:	Up to 10A
Temperature Range	-30°C to +80°C
Insulation:	Flexible PVC
Compliance:	RoHS Compliant
Applications:	Suction Motor, Power Switch, Indicator Lights, Battery Charging

REFRIGERATOR & APPLIANCE HARNESSES

KEY FEATURES:

- Optimized Power Distribution
- Signal Integrity for Control Systems
- Durable Insulation Materials, Durable Insulation Materials
- Precision Connector Crimping
- Integrated Strain Relief

Engineered for reliability and precision manufacturing to meet demanding appliances.

Engineered for reliability and precision manufacturing to meet demanding appliance applications.

TECHNICAL SPECIFICATIONS:

Wire Gauge Range:	16-22 AWG
Voltage Rating:	300V/600V AC
Temperature Range:	-40°C to +105°C -0°C to 115°C
Connector Types:	Multiple Header/Plug Options
Compliance:	UL/CSA Recognized

MEDICAL DEVICES &
SMART CLEANING SOLUTIONS

Professional Medical Equipment Harnesses

- Complex medical system integration
- ISO certified manufacturing
- Shielding for interference prevention
- Reliable signal transmission

Handheld Vacuum Cleaner Harnesses

- Compact and flexible designs
- Battery management systems
- Motor and sensor connections
- Durable for daily use

Handheld Vacuum Cleaner Harnesses

- Compact and flexible designs
- Battery management systems
- Motor and sensor connections
- Durable for daily use

Smart Robot Vacuum Harnesses

- Advanced sensor and data paths
- Integrated motor control
- Space-saving layouts
- High-tech automation

AUTOMOTIVE SOLUTIONS
- FUTURE DEVELOPMENT

1. AUTOMOBILE WIRE HARNESSES

- Advanced Connectivity
- High Precision Design
- Complex Wiring Systems
- Integrated Components
- Enhanced Vehicle Electrification

2. AUTOMOTIVE PARTS & COMPONENTS

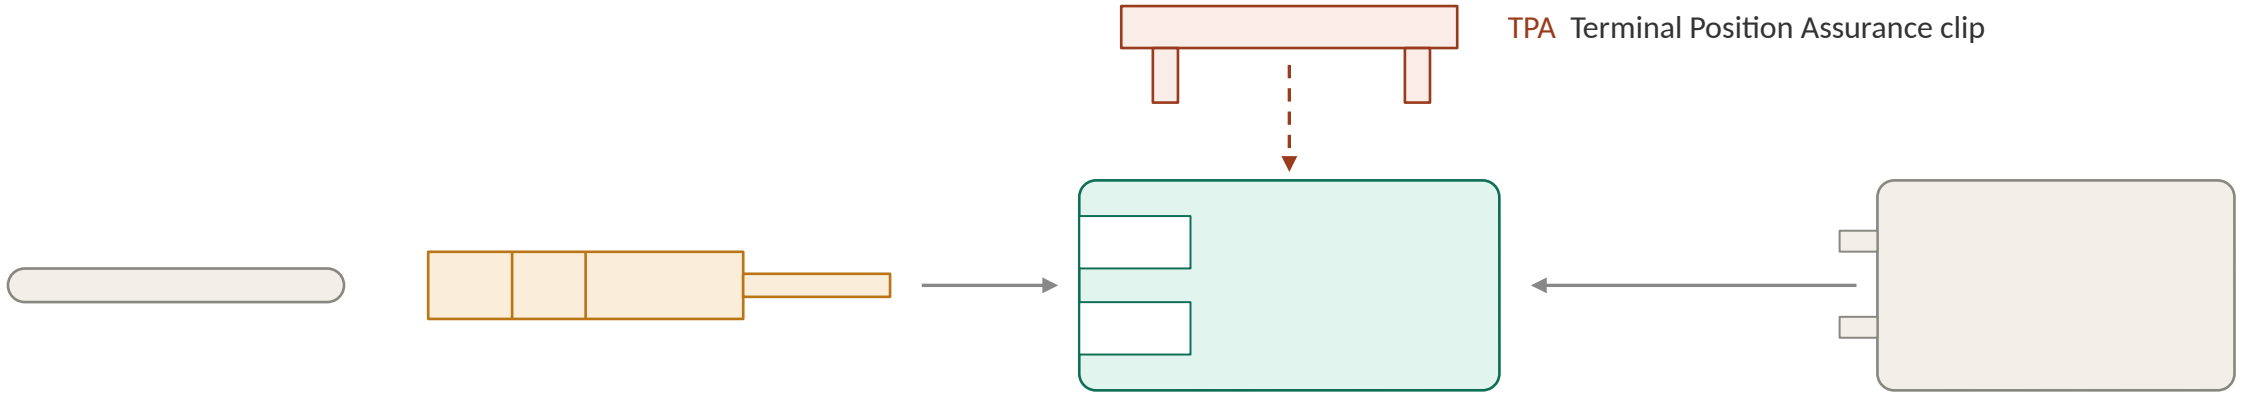

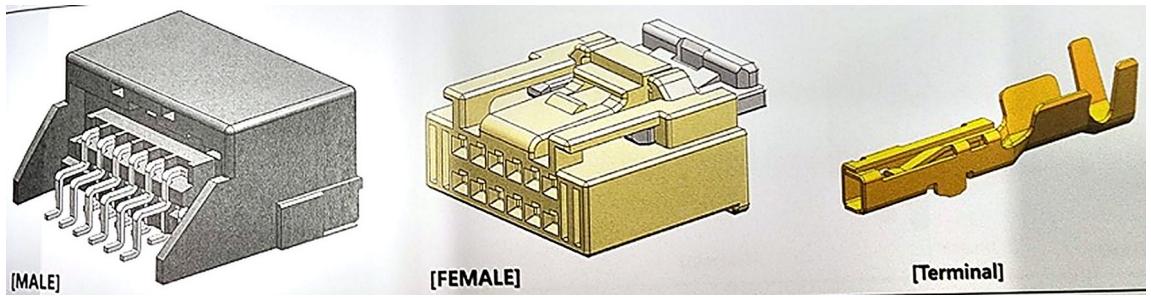

- Targeted Component Applications
- Precision Electronics Integration
- Customized Small Harnesses
- Reliable Connectivity for Modules
- Shaping Future Smart Vehicles

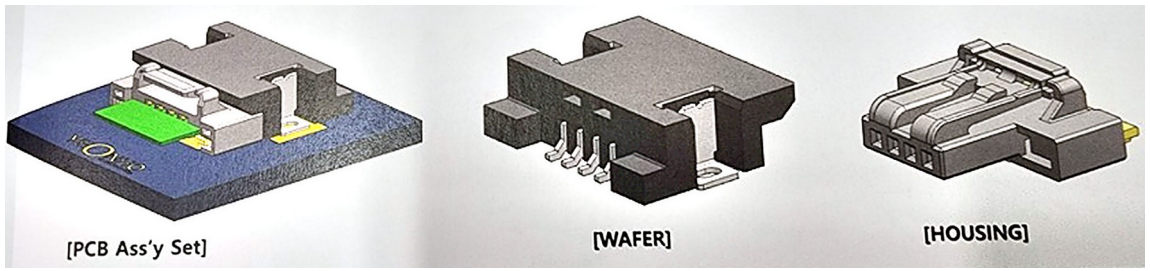

CONNECTORS WE SUPPLY

Connectors, terminals and housings, supplied alongside our wire harness solutions.

Male · Female · Terminal

PCB Assembly · Wafer · Housing

Also available: TPA (Terminal Position Assurance) clips and related connector accessories.

GLOBAL PARTNERS & CLIENTS

Trusted by leading global manufacturers and industry innovators.
